#### About Us sTored

The world is shifting towards a digital future and as a part that future, we feel it's our responsibility to help you come into it as well. As such, the general public will need an accessible and usable solution for storing, retrieving, and categorizing digital receipts. Our application was expanded to include such functionalities to track and categorize spending and to aid you in budgeting and tracking expenses. We hope you enjoy our app, please leave us an email for any comments or concerns. Happy storing!
